在大部分的球類團體賽事中，不難發現球衣上會印有球員的名字及號碼讓球證及觀眾識別。但在投球的賽事中，球衣上不是印有名字及號碼，而是印有數個特定的英文簡寫。原來這些簡寫是代表著球員於賽事中所擔任位置，而每個位置都有其所限制的活動範圍，持球與否也不能離開所屬範圍。現在就讓我們看看球衣上各個簡寫的意思及其活動範圍吧！

In many team sports especially ball games, players' name and number are normally printed on their uniform to be identified by umpires and spectators. However, netball jersey only has the English abbreviations on it, which indicates the position of the player during competition. Each netball player is allowed to play in certain areas of the court, the diagram and table below show the specific playing areas for each position.
